BY LAWS OF THE APOSTOLIC FAITH BIBLE COLLEGE, INC.

Article VII

Doctrine

It is recognized that the true church of Jesus Christ consists of all believers who believe in the saving grace of our Lord and Savior Jesus Christ and who have accepted Him as their personal Savior. It is recognized and agreed that no organization or man has been granted authority by the Lord to exclude from or accept anyone into the Kingdom of Heaven, as this is done by Jesus Christ only. It is further recognized and agreed that we as Christians are to love all members of the Body of Christ (Christians), and this love and fellowship derives from the unity instilled by the Holy Spirit. Although differences in doctrinal beliefs and interpretations should not influence our love for one another, adherence to similar doctrinal beliefs and modes of worship have bonded together those of the Apostolic Faith Movement as founded by Charles F. Parham in the early 1900's. The scripture teaches us to adhere to the truth and proper doctrine. The common doctrinal beliefs are essentially as follows.

- * Triune God; Father, Son, and Holy Spirit
- * Creation and Formation
- * Man is basically sinful and in need of salvation
- * Salvation by Grace upon repentance toward God and acceptance of Jesus Christ as one's personal Savior, which is the conception of Spiritual Life
- * Sanctification of the Spirit, Soul, and Body, A second definite work of Grace by the Lord Jesus Christ
- * Baptism of the Holy Spirit; evidenced by the speaking in other languages.
- * Water Baptism (of all believers) by immersion in water in the name of the Father, and of the Son, and of the Holy Spirit
- * Sacrament of the Lord's Supper
- * Washing of feet
- * Divine Healing through Jesus Christ for all believers
- * Do not condone divorce and remarriage
- * Destruction of the wicked
- * Conditional Immortality
- * Rapture of the Man Child Class
- * Return of Jesus Christ to earth again; bodily and visibly
- * A ministry supported by tithes and offerings

These doctrines shall be adhered to in the teachings of the Apostolic Faith Bible College, which in addition to other doctrinal teaching approved by the Board from time to time if the are not inconsistent with the above listed basic doctrines.

Chairman's Desk

Something New!!!

Let me start by introducing myself to you. My name is Austin Lee Sutton; I was born one year after Israel became a nation, May 14, 1949. My Mother and Father, Sherman & Louise Sutton, have been active in the Apostolic Faith Movement since the early '20's. I have one brother Garry Sherman Sutton who is now working in the Apostolic Faith Bible College. What a legacy of faith has been shared with us as siblings. I attended the Apostolic Faith Bible College in 1968, '69. What a wonderful experience this was and still is as I reflect on the truths I learned that have kept me through the years. Many things have come my way since those years.

At the close of Bible School 1968 I felt the call into the ministry. I was ordained there and began the road of obedience to Christ, in ministry. In May of 1969 I was married to Shirley Kinser, and we began our ministry together. We attended Bible College that fall and then traveled in the evangelistic work with Rev. Ron Martin for a few months and then went on to pursue our own ministry. After Camp Meeting at Laverne, OK in 1970 we took our first pastoral at Cave Springs, AR. Since that time we have served as Pastors in Apostolic Churches in Dumas, TX, Amarillo, TX, Pampa, TX and now we have been in Taneyville, MO for 12 years. We have also served as teachers at the Bible College in 1979-80, 1980-81. I was elected to the Apostolic Faith Bible College Board in 1997 and have served as Chairman for the last 4 years. What a privilege it has been to serve the Movement for these last 34 years. I indeed count it a privilege to serve the Movement in representing the

people as their voice in the affairs of the Bible College.

Seven years ago God placed a burden on my heart to do more for the Movement. The Bible College board has been gracious to allow me to fulfill some of the burden in the Restoration of the Chapel Building at the College. This project is not the end of the vision, and burden, and I plan to continue pursuing the burden as God gives direction and strength.

The challenges that we face today are not unique to our fellowship alone, for other organizations deal with the same challenges. However it is in our charge to do all that we can for our Movement and our Bible College

Because of this burden and my position as board chairman, I will address you in each issue of the Apostolic Faith Report with an article called "Chairman's Desk". You can help me in this article by submitting letters, E-Mail, phone calls or visit with me personally with Bible College issues, concerns or just thoughts that you would like me to address in these articles. I hope you will help me in this matter. My goal is to help us become more aware of our needs and also seek input that all can read and pray about so we can be drawn closer together.

Pinecrest Youth Camp Update

We are praising God for a wonderful youth camp! We were able to minister to 75 campers, with 40 workers staying on the grounds at all times. We thank the Lord that 7 young people received Christ as their Savior, with many others gaining strength as they face a new year in their homes and at school. We enjoyed wonderful preaching, teaching and a puppet ministry, as well this year! Many adults from the surrounding community were able to be with us during the evening services. States represented at Pine Crest this year were: Mississippi, Alabama, Texas and Missouri. We praise God for meeting all the needs of Pine Crest Youth Camp on a free—will offering basis. He has been so faithful and poured out blessings so abundant we have not had room enough to receive them! ! May all we do be for His glory, until He returns!

AFBC Second Year Students

I attended a Methodist Church until I was 10 years old. Then I began to attend the Apostolic Faith Church in Laverne, Oklahoma. I was saved at the Midwest Youth Camp on June 13, 1995. I continued to serve God all throughout high school. After I graduated, I decided to come to the Bible College.

I was filled with the baptism of the Holy Spirit on August 31, 2001. Since then, God has been doing some awesome works in my life. I have grown so close to Him and learned so much in the past year. I worked in the Youth camps in Laverne this summer and God blessed me through those kids. He taught me even more over the summer and continues to add to my knowledge every day. I am looking forward to what God has planned for me this year. I know He has something even more awesome than I can even imagine. Next summer, I will be getting married to Charlie DeVaughn, 2002 graduate of AFBC, and moving to West Virginia. I may not know what God has in store for me when I get there, but I am ready and willing to follow Him in whatever direction He leads me.

Ashley Campbell

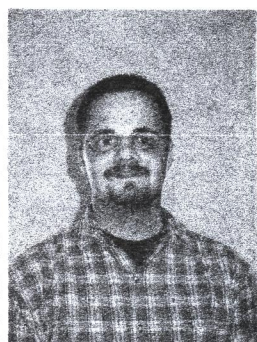

My name is Frank Carroll. I am seventeen years old and attend the Community Full Gospel Church in San Diego, California under pastors Homer and Sue Allen. I was saved at an early age of seven. I lived in the parsonage of the church almost my whole life, and grew up working on the construction of the new church building. I have taught Sunday School at my church for three years and I run the sound system. I am currently in my second year of Bible College. I have gone on two choir tours and plan to go on two more. After Bible College I plan on going to Law school. The Lord has kept me safe in his care my whole life, and I am extremely blessed. He has been preparing me for life's trials at Bible College and I have received an invaluable education at the Bible College, one that cannot be received at any other institution. I am thankful for being here and pray that the Lord will use me in every way he can.

Frank Carroll

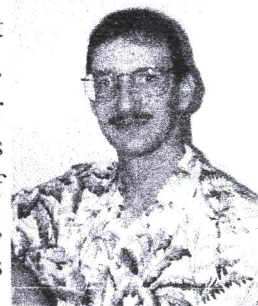

This year God has really changed me in many ways. He has allowed me to grow in Him and to learn more about myself. He has a wonderful plan for me, I don't know exactly what it will consist of but as I remain faithful to Him He will direct my path. I praise God for not quitting on me.

While here at Bible School He has been molding me and changing me daily. So as I leave school next year my prayer is that I will boldly proclaim Jesus and fulfill his plan.

Tim Hubbs

I accepted the Lord into my life when I was 13, at youth camp at Baxter Springs, Kansas, in 1973. In October of 1986 my Amber Opal June Largen died at 6 weeks of age of S.I.D.S. In January of 1990 my first wife, Linda, age 30, died of natural causes. During this time I never lost faith in God.

Three years later I married Lavinia Thornhill. She accepted a teaching position in Manteo, North Carolina, where we attended Mount Olivet United Methodist Church.

We took Disciples class, which met once a week for 36 weeks, one of the lessons asked what you will do with your life. At that point I finally stopped making excuses and accepted God's calling on my life to go into the ministry, and now in my second year at the Bible College.

I am glad to be back at AFBC this year. Last year was very educational, tiring, and emotionally draining. I originally came to this school to learn sign language in order to help my son communicate better, but also because God gave me a vision for my home church. This vision involved a Youth choir that not only sings, but signs also. My first reaction was, "ME, Lord, you want me to learn AND teach sign language???" I really thought that maybe God had lost His mind, or maybe I had discerned wrong, so I prayed.... "Lord if this is really Your Will all the pieces will fall into place and there won't be any stumbling blocks". Well, guess what.... it truly was His Will... I have been amazed many times over throughout this past school year, I have also been very blessed, both at school and at my home church. God has opened doors for me, He never ceases to amaze me. God has a plan and I want to do all I can to glorify Him and carry on with the tack He has set before me. Please pray for me, for my family, that God's Will will be accomplished in our lives and in our home church.

I love the Lord with all my heart and soul, Heaven is my goal and I want to do all I can to get there and be well-pleasing to Him. I thank God that He saw something in me worth saving, that Jesus' precious blood covers me and that His Grace is sufficient for me. I would also like to say "Thank you" to all of you who make it possible for me to come to this Fine school. THANK YOU!!!

Ann Richardson

AFBC Third Year Student

My name is Marvin Talley. I am 43 and from Pittsburg and Parsons, Kansas. I was able to go to youth camp this year and be a counselor as well as a teacher for the third grade. I then returned for the senior camp. I had the twelfth grade boys. I really enjoyed both camps, and was impressed with how well the kids behaved. I enjoyed all the campers.

This is my third year here at Bible College. I am doing the apprenticeship program. I am having a great time learning new things. I have two classes. Doctrine lab which is a writing class, and I have speech and homiletics. I also take the new class Cognitive Intervention. In the afternoons, I do some of the light maintenance. This is really a challenge for I have never done some of it before. I also take role at breakfast to make sure all are there I check to make sure each one is at the kitchen detail. I monitor the daily detail of the chapel as well as the Administration Building. I lock up the campus at night and open it at 6:00 AM. I then have thirty minutes of devotion and reading of papers and magazines to keep up on current events. The last thing is I am required to read the whole Bible through before May, before graduation.

I would encourage anyone that if God has called them to ministry, come to Bible College. It will give you the experience you need to be able to go out on the field.

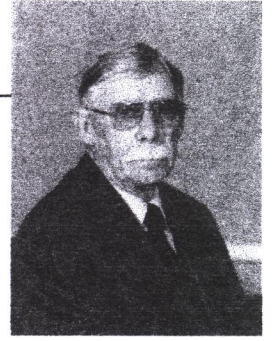

Sundays I am assigned to the Original Apostolic Faith Church, Joplin, Missouri. Where Bro. Paul Clanton is the pastor. I get to help out in any way he would like for me to. At this time I sing, play trumpet, and preach.

Live God LOUD!

Written by: Alethea Jan Briles

Camp Peaceful Pines Report
Northern California
July 21—26, 2002

What does it mean to Live God LOUD? Does it mean that a person goes to church all of the time? That they tell their friends about Christ? That they only listen to Christian music? Do they have a purpose in their life? Do they care what others think or do they care only about what God thinks?

Throughout our week in the mountains we explored these very questions as well as many other areas! Our camp was fortunate to welcome back our two friends from Kansas—Phyllis LaDuke as a speaker and Cheryl Clifford as a speaker and worship leader. We also welcomed a new face this year from Missouri. Brandon Dorris joined our camp staff as a worship leader and a speaker. Our camp was also blessed with faithful servants from San Diego, Stockton, and Modesto, California.

Campers from the age of one to sixty—five experienced a week full of worship, gained knowledge, memorizing verses, learning how they can Live God LOUD, meeting new friends, renewing their walk with God, realizing that even through trials with Jesus you will win, and having loads of fun!

They also learned how they could turn up the volume of God in their life and turn down the volume of the world, how to evaluate the kind of music they listen to and if it is pleasing to God, and how the world uses image infatuation to get us to focus on our outward appearance. Campers were reminded of God's love for them and how they should not be concerned about how the world wants them to look and act but just about what God thinks. Everyone was also reminded of all of their gifts and abilities for God and that each one of them has a unique and special purpose to fulfill in their life.

Throughout our week of trials and successes God was faithful to all and touched hearts and lives. A difference for eternity was made and we are thankful for the opportunity to minister to our kids and youth.

Campmeeting 2002

Written by: Ted Barker - Chairman

I would like to express our sincere thanks to all who made the Camp Meeting 2002 a success. We felt that the Lord made His presence known at each service. That is that makes any meeting a true success.

Thanks to every minister who ministered from the pulpit, and equally to those who ministered by sitting in the pew and backing in prayer and moral support. Each is equally important. Thanks to all the musicians and singers who help make any service special. Thanks to all the ministers who led the youth and children in their time of worship. Thanks to all the local churches who did such a super job in preparing the meals. Thanks to all who graced our meeting by simply 'being there'. Thanks to those supported financially. Every bill was paid and some left over to help maintain the grounds.

The Lord was so gracious in so many ways in providing what was needed. Two weeks before camp started it appeared there would be no motel rooms in Laverne. At that time one of the local pastors purchased one of the motels and reserved the entire motel for our campers. Praise the Lord for His mercy endureth forever.

In a time when it seems that attendance and interest is dwindling, it was so good to fellowship with people who wanted to simply worship the Lord. I felt that Camp Meeting 2002 was a time of worship and Praise to the Lord.

In closing, let me say that the camp this year was certainly a blessing and I thank God for allowing me to be a part of it.

Ministry Opportunity

The Union Church in Spearman, Texas is looking for an individual is burdened for young people to work with an established youth group. If interested or for more information, please contact Rev. Bill and Patsy Sparks at 806-659-5073 or 806-659-2644.

Policy of Ordination by the Apostolic Faith Bible College

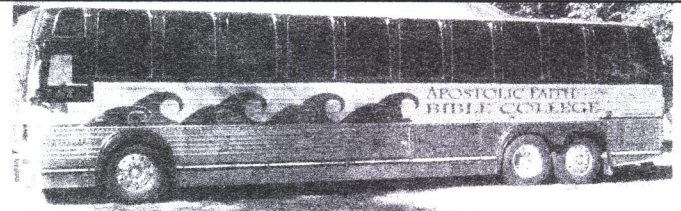

The Board of Trustees of the Apostolic Faith Bible College, Inc. has become aware that there is some confusion concerning the procedures involved in being ordained by AFBC. With this article, we wish to make the process more understandable.

Our intention is to ordain those persons who believe and will teach and preach the doctrine of the Apostolic Faith Movement. We also seek to ordain those persons who have shown, through a period of service, that they are prepared to enter the ministry at some level. Normally, we expect one to three years of experience before ordination. As a board policy, we refrain from knowingly ordaining anyone who has been divorced and remarried.

Here are the procedures involved in ordination. The applicant should notify AFBC, PO Box 110, Baxter Springs, KS 66713 before August 1, if he/she wishes to be ordained during the following May. Normally, ordination is done at the closing exercises of Bible College. The applicant will be asked to complete a questionnaire concerning spiritual background and doctrinal beliefs. The application will be considered by the Board at the next regularly scheduled meeting and, in any case, no later than the Advisory Board meeting in February. The applicant will then be notified of the outcome in plenty of time to prepare for the actual ordination in May. In some cases, the Board may ask to meet with the applicant for a personal interview or the applicant may ask to meet with the Board.

We welcome applications for ordination and want the process to go as smoothly as possible. We certainly need additional ministers in the field of labor for the Lord. Lack of experience is probably the main reason that ordination is declined for first-time applicants. Of course, that can be overcome by continued service in the Lord's work.

If you have questions, please feel free to contact the Superintendent or Board. The AFBC telephone number is 620-856-3283.

The New Bus at AFBC

We would take this opportunity to inform you that we, the Board of Directors, have been looking a several needs of the College. As we looked at several issues, one was the need to replace the Bus used for Choir Tours.

We have been able to purchase a 1985 Prevost bus. This bus has about 75,000 miles on a new motor and has a rebuilt, automatic Allison, 5 speed transmission. The interior was restored about one year ago, and is in excellent condition and is very attractive. The exterior is also in excellent condition. Since purchasing the bus we have had lettering placed on both sides reading Apostolic Faith Bible College, Baxter Springs, KS., and our logo of the cross and crown with Apostolic Faith Bible College on it, was placed on the back glass in about a four foot diameter.

| | |
|---|-------------|
| The purchase price was | \$35,000.00 |
| Lettering (which included repainting the back half of the bus on both sides) | 900.00 |
| Registration, tax & license | 4,000.00 |
| <hr/> | |
| Total | \$39,900.00 |

We would like to retire the debt as soon as possible, so that we can move forward with other needs. Offerings for this can be sent to the Bible College, designated Bus Fund, at P.O. Box 110, Baxter Springs, KS 66713.

Thank you for your continued support for the daily operations at the College and also for responding with offerings for special needs. In order for us to move forward and grow in the future, we must work together today .

Pray for the Board of Directors that we will know God's direction as we endeavor to lead the College and the Movement into greater things for the future.

In His Service,
Chairman of the Board

King, Clayton Wedding

Crystal King and Jon Clayton were married on June 22, 2002. The wedding was at the Apostolic Faith Church in Baxter Springs.

“More than anything we wanted our wedding to glorify our Lord and Savior Jesus Christ. We also wanted the wedding to be a

ministry to others. During the ceremony we had a foot washing between the two of us. It was very meaningful for us as we humbled ourselves and became servants to each other.

“After a honeymoon in Eureka Springs we came to our new home in Taneyville. We are very glad to be here as Associate Pastors and Youth Pastors of the church. God has blessed us tremendously and has provided for all our needs.”

God Bless All

Letter To Parents

We are writing this letter as parents of young adult daughters to other parents of young people. It is really a letter of reference for the Apostolic Faith Bible College. I am a board member at AFBC, but this letter is not written from that perspective. It is written purely from the perspective of a parent.

During four of the past five years, Joyce and I have had a daughter attending Bible College. Cheryl was there 1997-1999 and Denise attended 2000-2002. Both we and they give their experiences at AFBC the highest marks. The school does what it claims to do. It gives the students a solid education in Bible subjects as well as training in fields of ministry. The students learn to work together in harmony. Detail work is as much a part of their education as anything else.

Joyce and I always thought that Bible College would be a good place for Cheryl and Denise to go right after high school so they could be away from home but still in a wholesome and controlled environment. It worked out just as we had hoped it would. We feel much more comfortable with Denise going off to the big state university now than we would have felt two years ago.

Sometimes, it takes a little parental pressure to see that young people, just out of high school, make the appropriate decisions. They don't have all the answers just yet. We applied some pressure to Cheryl and Denise to see that they went to Bible College. They thank us for it now.

In conclusion, we give the highest recommendation to other parents that you encourage your children to attend Apostolic Faith Bible College. If your experience is anything like ours, it will be a decision you will be very glad you made.
