

Association Members:

My name is Mary Wilkinson (F57). I have previously served on the Board of Directors 2014-2015.

My past history on the Board as Secretary (though I Qualified for the President position by vote count) has provided me a wealth of park history and familiarity with decisions. My deep concern and interest for completely re-writing the C.C. & Rs, to update rules and to consider the importance of this action has been of particular interest to me these past 4 years. I have volunteered in the past to chair that committee.

I have owned several successful mom & pop small businesses through the years which has familiarized me with budgets, employees and Federal & State regulations. When previously on the Board of Directors I helped compile the Budget, was liaison to the Caretaker, provided detailed minutes for the members and established good relationships with the lot owners in the park. I am generally available as I am a year-round resident.

I ask for your consideration when voting for the open positions on the Board. Your ballot will arrive soon. I would be honored to serve Leisure Time RV Park and its members once again.

Sincerely,

Mary Wilkinson
