Camping With Pets

Fox Carlton Pond is a Responsible Dog Friendly Campground in Maine.

Camping with dogs can be a wonderful adventure for both the owner and dog. But before you bring your pet, there are a few things you should know. To ensure that all guests have a safe and enjoyable experience, “The Fox” has established some guidelines.

We understand your pet is part of your family. We welcome your pet as long as the following policies are followed. If you do not comply with all policies, we will be forced to ask you to leave immediately without a refund.

All pets must be well socialized with other pets & people. If your pet is not then you must leave them home.

Your pet must be registered before arrival. - For the safety of our guests, pets should be leashed.

Pet litter must be cleaned up immediately and disposed of properly.

We do not permit the following breeds that our insurance company has identified as having aggressive behaviors: Pit Bulls, Rottweiler, Doberman and Mastiff or any mix thereof.

Pets are not allowed with visitors of guests. Pets will not be allowed to disturb your neighbors in any manner.

Good behavior is required. Dogs of any breed that are hostile or aggressive will be asked to leave the campground, immediately without a refund. Constant barking bothers other campers. If your pet is too vocal, you'll need to find other accommodations.
