

Plainview Nursery Camp

Guidelines 2020

Here are the guidelines we will follow for camp season 2020. We are confident that these guidelines will make for a safe summer season.

1. Small group size
- 2 Outdoor as much as possible. Maybe picnic lunches, music outdoors etc..
3. Adults wearing masks.
4. Drop off and pick up will be by car pool line **ONLY** at the gate on Prospect Place. Our staff will take your child out of the car and put them in, You may **NOT** get out of the car. No congregating!!!
5. Temperature taken by staff prior to your child coming onto camp grounds with a touchless thermometer. We will also take it 1 time during the camp day. Any temperature of 100.4 or higher is considered fever and your child may not come into camp.
6. All children's hands will be sanitized prior to coming into camp.
7. Children's hands will be washed often during the day.
8. No water bottles will be permitted in camp. We will provide water all day.
9. Lunch must be brought in a paper bag labeled with the child's name and no reusable containers can be brought into camp. Everything must be disposable.
10. No outside visitors will be allowed on camp grounds. All programs will be taught by our staff.
11. Daily disinfecting of our building and grounds will be done every evening by our custodial staff.
12. We will disinfect frequently touched surfaces during the day as needed.
13. All campers will have a labeled place for only **THEIR** belongings. Parents **MUST** label all children's belongings from head to toe (socks, shoes, towels etc.)
