**Quotes:**

“This student is a very self-motivated young lady. She pushes herself to excel in all aspects of her life, including academics....She works hard for the grades she earns, and she accepts nothing but the best from herself.” **Darcy Bryant** - Teacher

“Your generosity allows me to put my focus on my schoolwork and not worry as much about how I will pay for school. Thank you for your generosity..and... giving me a chance for more success in my future career in the medical field.” **Vivian**
