

Save the Dates - Virtual ITS Conference

While we can't all meet in person for this year's annual **Fall Transportation Conference**, ITS Nevada will be hosting a virtual "**Agency update**" and "**Vendor update**" in order to keep our members updated on what is happening in Nevada and what is new in the traffic marketplace.

We don't want to take up too much of everyone's valuable time, so we are scheduling 1½ hours each day, for three days over the lunch hour to bring parts of the conference to you virtually.

ITS Nevada will also provide a CEU credit for 1.5 hrs. for each day attended. The meeting will be scheduled via Microsoft Teams, and the system we are using is capable of 250 participants. If we need more capacity, we will switch to the Microsoft Stream platform, so we should be able to accommodate everyone who wishes to attend. Also, the cost is "**FREE**", we just want to thank everyone for supporting ITS Nevada over the years. This event is open to all. Please RSVP, so we can get a handle on the attendee number, to michael.mosley@kimley-horn.com

Bonus: There will be six \$50 virtual gift card drawings during each session to keep things exciting.
