

NEAR EAST RELIEF
25 Rue Taksim, Constantinople

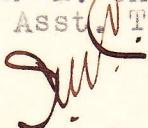

April 5, 1921

To: Caleb W. Lawrence, Smyrna
From: Finance Department, Constantinople
Subject: NER Accounts

You state in your letter of March 5 that you have not had any word as to the ~~disposition~~ to be made of the cash balance. I am enclosing a copy of letter of January 28.

It is perfectly satisfactory for you to close your books; but would suggest that you keep a connected memo of items received and items disbursed, simply as a memorandum. This may never be used but it is always safer to keep some record.
