- Childcare providers must be registered with KCC to offer free early education for 2 year olds.
- If you haven't chosen a childcare provider, Kent Children and Families Information Service (CFIS) will be able to help. Call 03000 41 23 23 or email KentCFIS@theeducationpeople.org You can also get help and advice from a Children's Centre.
- Being eligible for a free place does not offer a guarantee of a place at any one provider or a particular pattern of delivery.
- You do not have to take the full 15 hours if you feel it is too long for your child.

- A childcare provider can deliver the offer sessionally or flexibly. There is no minimum session length but the maximum session length is 10 hours per day. Places can be taken between the hours of 6.00am and 8.00pm.
- You have the option to split your hours between multiple KCC registered childcare providers, but no more than two sites in a single day.
- You cannot be charged if you only want to take-up the free 2 year old funding. If you want your child to attend for more hours per week than they are entitled to, charges can be made. In these cases, to avoid any misunderstanding, your childcare provider must explain their charging policy before you sign a Parental Declaration Form.
- The free hours can only be taken from the start of the week during which eligibility has been confirmed. A childcare provider cannot claim for any hours attended prior to the eligibility check being performed.
- Funding cannot be transferred to a new childcare provider part way through a term. If you choose to move your child to another provider, you will have to pay for the sessions. You do have a right to appeal and this should be done by contacting CFIS.
- Once a child has taken up a place, eligible 2 year olds remain entitled to this place until the 3 year old funding starts, even if the family's circumstances change.

How it works

- It's quick and easy to apply online at www.kent.gov.uk/freefor2
- You can also complete an application online yourself, with your childcare provider or at a children's centre.
- Information you will need:
 - Proof of your child's date of birth (birth certificate / passport)
 - Your date of birth and National Insurance number (NINO) or National Asylum Seeker Service reference number (NASS)
 - Proof of Disability Living Allowance for your 2 year old (if applicable). This should be the most recent Award Notice
- If your child is eligible, you will have the option to download an 'Eligibility Confirmed' PDF. This is an important document which must be handed to your chosen childcare provider. A provider will not be able to offer you a free place without it. If you have applied online, you can show the provider the email on your phone rather than print it out.
- If your child is not eligible, we will let you know the reason why.
- Contact CFIS if you need a list of childcare providers registered with KCC to offer Free Early Education and Childcare for 2 Year Olds.
- Visit the childcare providers you are interested in to discuss their pattern of offer and availability.
- Before your child can take up their free place, your childcare provider will ask you to sign a Parental Declaration Form. This is an important document which **must** be completed and signed at the start of each new term.
- The free hours can only be taken from the start of the week during which eligibility has been confirmed. The funding cannot be back dated.
