A MESSAGE FROM THE LAY DIRECTOR OF WALK #196

I am just so excited! I cannot believe it has been 8 ½ years since my original walk, which was walk #126. I still remember that walk like it was yesterday. I can honestly say I was not nervous at all because I was so excited to be away from the real world and go experience time with just God. But I was worried a little bit that I would get hungry because my sponsor made me carry all the leftovers from our dinner together with me because she said I might get hungry. Boy did she tell a little "fib".

Walk 126 was an amazing walk and turned my life around in so many ways. I left so much at Dying Moments and throughout the walk I was so overwhelmed by the love that was shown not only to me, but to all the ladies on that walk. And boy, the new friends I made there, especially my first new friend. Unfortunately, I did have to return to the real world that did not change, but I had.

Now, I have the amazing opportunity to be the Lay Director of Walk #196 which is exactly 70 walks after my original walk. Even though the number 70 is quoted in the Bible, the number 70 even has a sacred meaning in the Bible that is made up of two perfect numbers: 7 representing perfection and 10 representing completeness and God's law. It symbolizes perfect spiritual order carried out with all the power! How perfect is that! This will be the best walk ever!!

I want to thank all of you who have, will or are serving in the background or in the conference room for Walk 196 and for making this walk be the best walk ever!! As the day of the walk approaches, not only do I pray for the Pilgrims who will be there but also for the entire team. May their eyes be opened and they recognize him.

DeColores!

GET CONNECTED!

Get with your sponsor and serve together.

Sometimes its fun just to show up and ask "Where can I serve?"

There is a schedule to consider to ensure you don't drive when the pilgrims are walking to Dying Moments.

Attend Cluster celebrations...this is a nice way to reconnect with your Brothers and Sisters and see what they like to do the most.

The easiest way is to serve a meal. The schedule is normally included in the reminder email that goes out.

Attend team trainings. This is a great way to meet people that can help guide you at camp.
