Property Description

147.4 acres of prime industrial property situated in an industrial complex with Michelin, Quality Tissue and Electrolux. All utilities to the park (water with excess capacity, sewer with excess capacity, natural gas, electric and fiber). Flat to gently sloping property - easy to balance. Mainly composed of sandy-loams. No wetlands. Outside the 100-year floodplain. In an attainment zone. One landowner. No history of mineral rights. Client-ready; a plug-and-play park!

Location Description

Surrounded by some of the world's Best In Class manufacturing companies - Michelin, Quality Tissue, Owens Corning and Electrolux, this park has all the critical location criteria for a successful manufacturing operation. Located on Highway 81, with 1/2 mile road frontage and close proximity to I-85. Access is excellent via four-lane interstate quality highway system. Situated on the corner of two road systems, allowing for multiple access points. Midway between Charlotte, NC and Atlanta, GA. Only 20 minutes from world-renown research and engineering institution, Clemson University. Within 35 miles of the Greenville Spartanburg International Airport. Outstanding quality and available labor pool of over 400,000. Population of 1.2 million. Over 30% manufacturing-based economy. Home to over 200 manufacturers and 20 international companies.
