MOM&BABY  
CUDDLE

MOM&BABY CUDDLE is a smooth and rich cream suitable for massage and pampering in the intense mom and baby relationship.

From Indena, it contains:

OMEGABLUE®: unique oil obtained from the seeds of *Vaccinium myrtillus*, rich in polyunsaturated fatty acids, has important lenitive properties on challenged skin. It has remarkable emollient properties and its smoothness fits nicely in the natural lipidic blend of this massage cream.

BOSEXIL®: soothing and protectant active ingredient from *Boswellia serrata* in Phytosome® form, provides an efficacious lenitive effect on challenged skin.

MIRTOSELECT®: highly purified anthocyanidic extract obtained from *Vaccinium myrtillus*, it strengthens and protects capillaries while performing an intense antioxidant activity.
