DIRECTOR'S NOTE

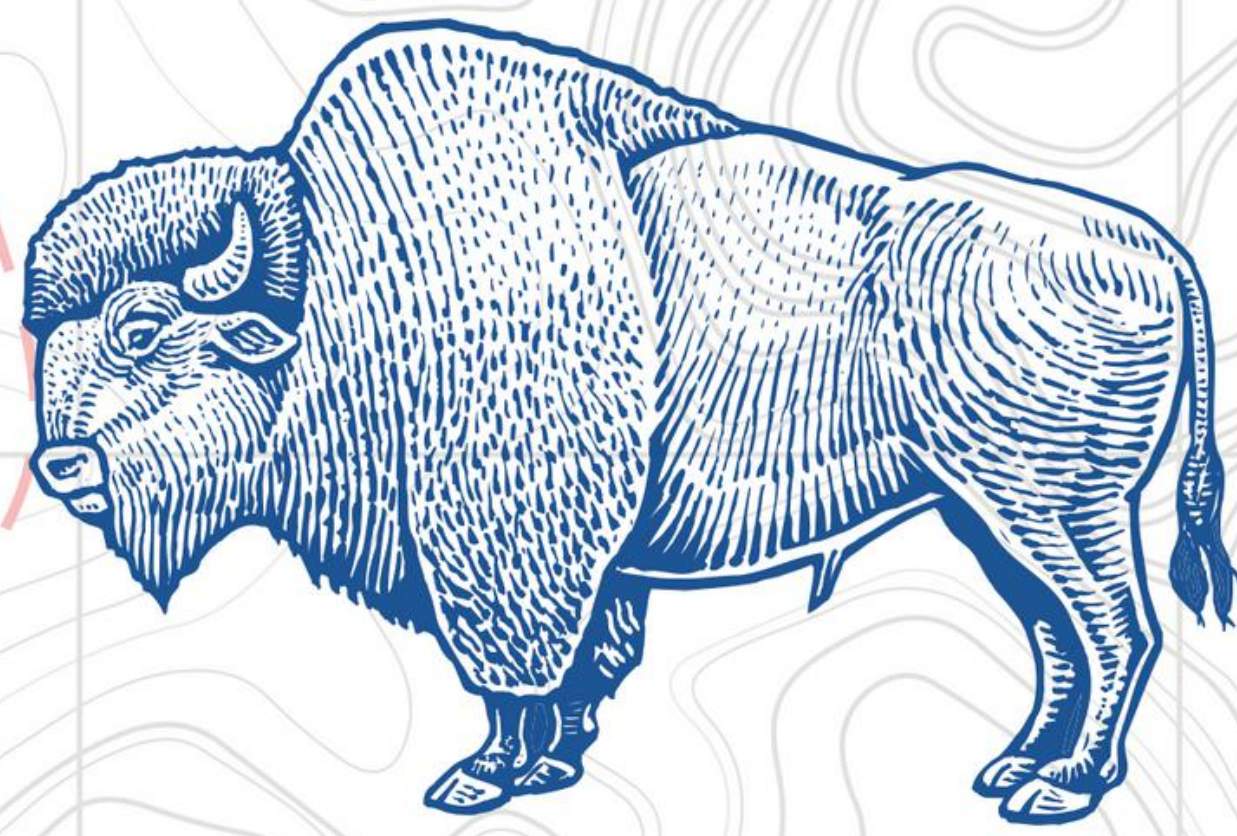

We are so grateful for the amazing summer we have had working on this show! Over and over again your kids have inspired us in their telling of this story! This beloved musical is a work of Historical Fiction, while Jack Kelly didn't really exist, thousands of newsboys and other working children did. These kids really did rise up against the adults who were taking advantage of them, and started us down a path that lead to our child labor laws today. Watching actual children tell this story and sing these songs is one of the most touching and poignant experiences we have had in our years in the theatre. Thank you for sharing your kids with us this summer, we love them, and we can't wait for you to experience their passion, and their strength!

Ashley Ramsey, and Tiffani Allen

THANK YOU!

Thank you to all of the parents who helped us with props, costumes, 4ht of July events, dress rehearsals, and those who are helping backstage for our shows! We could not do this without your support! We also want to thank our amazing sponsors and donors to our program who make what we do possible, and our biggest thank you to YOU! Without an audience all this hard work would be for nothing, thank you for your love and support!
