

The last day of Pre-K is fast approaching! We are proud of all our students have learned this year and look forward to celebrating with them!

The Center will be closed on

May 27<sup>th</sup>

There will be NO care for any children this day.

Please remember that cut off time is 10 am for the daycare and 8 am for Pre-K. You must be here by this time to stay unless the child has a doctor's note.

It's getting warmer outside!

Please check your child's clothes box for weather appropriate clothes.

We are excited about our upcoming summer camp! If you have not yet signed your pre-k or elementary student up please do so soon. We have a few spots left. Let all your friends know who need camp too! It's going to be a summer camp full of activities and excitement.

Thank you to everyone who joined us in celebrating Superhero day!

Happy Mother's Day to all our wonderful Mothers and Grandmothers!
