

October 2011

While summer refuses to bow its head and succumb to the fall, our Shrine summer fundraiser events have ended. The efforts of our volunteers have been rewarded with outstanding revenues for their efforts. The train and cotton candy venues continue to attract the children and parents of the Lakehead area. During the off season both the train and the trailer will be undergoing repairs and upgrades. The train will have wiring and tires replaced. While the trailer (while recently painted thanks to Noble Michael Abbott) will get Shrine decaling and an awning to better function for our volunteers and customers in all types of weather. By the summer months of 2012 both should be ready to the people to enjoy what has become a tradition in the area.

In the month of November two important activities will take place. The annual Christmas cake sale will begin and at the 22 November meeting the slate of officers will be presented by Immediate Past President Noble Kevin McDowell to the membership for the election for the 2012 year. This is an important event in the life of our Club and I encourage every member to make an effort to come out and vote.

Enjoy the fall and come out to our meetings and get re-acquainted with your fellow Nobles.

Craig Wolverton, President
Lakehead Shrine Club
