

## **Carney von der Tetiaroa**

(Owned, Trained and Handled by Teri Holycross)

DOB 06/25/08

I adopted Carney at 8 weeks old she is a GSD and attended her first workshop that October. Carney obtained certifications through AKC Canine Good Citizen (CGC), NASAR as a Canine SARTECH Human Remains Detection (HRD) Land Type III and Canine Disaster Responder for Human Remains Type 1 Forensic level. Carney is also certified with NAPWDA in Human Remains Detection (HRD) K9 Utility Phases, K9 Cadaver Detection Phases. Carney has been deployed during numerous searches in Florida and assisted with a study in Kentucky to see if K9's could detect submerged cemeteries.

During her down time Carney enjoys playing two toy, tugging and loves to retrieve toys in the pool.
