From the President's desk:

My goodness, what an interesting couple of weeks it has been. I hope you all are back up and running by now, and many thanks go to the guys in the field working to restore our power, well done!

Many thanks go out the members who showed up to help cleanup on Saturday the 8th. They got everything ready for the MetEd to do their thing on Sunday. We are back up and running, all ranges open.

IF you missed our rescheduled open meeting, you really missed a treat. Mark, a raptor rehabilitator, stopped by with a few of his friends, and gave a wonderful talk/show of what they do over at Mitzy's. He brought with him a Falcon, a Red Tailed Hawk, a Screech Owl and a barred Owl. His talk was entertaining and informative, and the birds were beautiful. It was wonderful to see them up close and personal. There will be photos on the website soon.

This month, we have another shot at getting Rep Ron Miller to stop by and talk about the environmental related happenings in Harrisburg.

The club donated \$100 toward the efforts of the Harry Enstrom (Pa.) Chapter, who hauled \$600 worth of bottled water to Bark, West Virginia, to help in the relief efforts there from the chemical spill in the Elk River near Charleston.

The new Policies and Procedures Committee has been at work. Their purpose is to document the things we do to operate the club, like who do you call when the open meeting has to be postponed. They have presented to, and the Board of Directors has adopted two new procedure documents that will be available for your review at the next open meeting, IWLA67SOP-0001 Creation of a Standard Operating Procedure (instructions on how to make one), and IWLA67SOP-0002 Designated Contractor (how to choose one).

As always, if you are not getting things by email, and can do so, please let us know your email address. We are using this tool more and more for time sensitive things, like postponing meetings.....

Please, if there is anything on your mind, let me know. This is your club, let's work together to make it the best it can be.

Judge Tobin Award:

All former winners of this award will meet on Sunday, Feb 23rd at 1:30pm at the clubhouse to vote for 2013 winner.

Pheasant Committee:

The Izaak Walton League York Chapter #67 Pheasant committee is asking for your help. Our pheasant pen took a major hit from snow and ice. We will not be able to raise Ring-necked Pheasants if our pen can't be fixed, our habitat improvements, stocking programs for the public hunting season and special youth programs will no longer exist! We have decided to do a business sponsorship. Our promise to you is if you donate \$500 we will put your name in our newsletter that goes out to 1100 members. For donations of \$1000, we will put your name or company name on the side of our pheasant building and it will also be put in our newsletter. For donations of \$3000, the newsletter, sign and Pheasant committee sponsor hat. Donations of \$5000 will receive all the above as well as a personalized hunting vest and hat. For more information, contact Nate Ehrhart @ 717-870-6574 or our address is Pheasant Committee 7131 Iron Stone Hill Rd Dallastown, PA 17313. The Izaak Walton League York Chapter #67 is a 501-3 nonprofit organization; Tax ID# 23-2047305. Make checks payable to IWLA #67 Pheasant committee. The estimated material and cost is \$8086. All help is appreciated! Yours in Conservation IWLA #67 Pheasant Committee

Trout Committee:

This has been a good year for our trout as far as mortality. As of the 1st of February, we have only lost about 125 trout. That is unheard of for us as a club. Our trout usually get a disease of some kind not long after we receive them. Because of postal regulations, we will not be doing our annual raffle. To help offset this, we will be doing some other fundraisers. Some dates to mark on your calendar: Saturday, March 8th will be a work day at nursery 8am and Saturday, March 22nd is pre-season stocking 8am. Please watch future newsletters for more info on events and fundraisers for our Trout committee. For any questions, please contact Duane Kornbau 515-0507 or George Fuhrman 818-5569.

Seafood Dinner:

Saturday March 1st. Two seating times will be available: 3:30 - 5:00 and 5:30 - 7:00. Menu will include fried oysters, oyster stew, steamed and fried shrimp, haddock, cream of crab soup, clam strips, french fries, chicken tenders, applesauce, coleslaw, rolls, cake, and drinks. Any donations of water and soda would be a big help. Eat in or carry out with ticket only. Tickets can be purchased at Artistic Edges located at 385 Leader Heights Road in York 741-1750 or by calling Terry Eberly at 870-3593.

Tickets prices: Adults \$22, Ages 6-12 \$15, Under 6 are free.

Work Detail:

On Saturday, Feb 15th we will be holding a work detail at the club from 1pm until 4pm. We will not be closing the ranges for this work event, but if you have some free time your help would be greatly appreciated. We have many tasks on our list from carpentry work to general housekeeping so there is something for everyone. We will cancel this detail if the temperature is below freezing or it is raining or snowing. Check the website for updates. There is stuff to do inside and under cover, but there's no sense being miserable or traveling on dangerous roads.

IWLA #67 Block Shoot:

Sunday, March 9th at 1pm at trap range. Tournament shooters will be using new Remington 870 and supplied shells. Winner keeps the gun and \$100; other cash prices as well. Bring eye and ear protection. Sign up and pay ahead of time is recommended. \$25 per shooter.

Sportsmen's Banquet:

Church of the Open Door York, PA presents 4th Sportsmen's Banquet on Fri, March 7th and Sat, March 8th. \$10 donation per ticket; for tickets online www.codyork.org or call 717/292-9177.
