B100-11 Twin roll out slat decking

B100-12 Full roll out slat decking

B100-82 Twin trundle frame

** Mattress and foundation required with these rails.

Note: B188-82N/88N rails can be used with -71 & -72 skus. In that case, roll out slat decking is required (B100-11 or -12) and only a mattress is needed. Trundle & U/B storage can be used.

Note: the B188-50 "twin trundle" and B188-60 "underbed storage" can only be used with the twin/full size sleigh bed and padded poster bed.

Note: the B100-11 "twin size roll out slat decking" or B100-12 "full size roll out slat decking" boards can be used as a substitution for a boxspring to help lower the height of the mattress on the twin and full storage and trundle beds
