**PLEASE READ CAREFULLY REGARDING OUTDOOR TIME**

Safety being our first priority, we like to make sure every dog gets time out of their kennel for sufficient potty breaks, love and exercise in the safest manor possible for them. The back of the property is fenced in for off leash exercise and play for the dogs, whether they are out alone or in group. We love the freedom the dogs have to run and exercise in our fenced outdoor area, however, we must rely on you to help us pick the best outdoor option for the safety of your dog.

If you feel that your dog is a fence jumper, this may not be safest option for your dog and you may choose for us to leash walk only.

Please note, if you choose to allow your dog to participate in the outdoor off leash play areas, you agree to hold Fox Creek harmless should your dog get out of the fenced area.

**PLEASE CHECK ONE**

My dog can be off leash outside in the fenced area
