DINNER ENTRÉE
HANDLING & RE-HEATING
INSTRUCTIONS

HANDLING INSTRUCTIONS:

- 1) Do not open the box prior to showing it to the customer(s).**
- 2) Please show the dinner entrée box to the customer prior to reheating it.**
- 3) Do not open or otherwise tamper with the double-sealed main entrée box prior to or after reheating; simply bring it as is to the customer(s).**
- 4) The food should not be placed on your china, and the customer should use the enclosed cutlery.**

TO RE-HEAT:

There are two ways to reheat the dinner entree:

- 1) Reheat entrée portion of dinner in a microwave for 2-3 minutes**
- 2) Reheat entrée portion of dinner in a convection oven at 325° - 350° for 20-25 minutes. Please note that for kosher reasons, if you are going to use an oven, it is better to not use a convection oven.**

THANK YOU FOR CHOOSING THE KOSHER GOURMET!!
