## Happy Trails to Marcel van Vierssen,

Marcel took over as President of the Hurricanes Swim Team during the 2006 summer.

His youngest son, Ryan, recently graduated from Herndon High School this past June, and as he will no longer have any kids swimming on the team, Marcel's time as President will be coming to a close this August.

During Marcel's time as President, the team has a record of 39-21, including 15-0 over the past 3 years. The team has risen from division 13 to division 6 and will likely go up again after this summer.

Marcel and Lisa Fagan started the Hurricane developmental team in 2006, which is known as the Waterspouts. The program had two goals; One, to teach swimming skills to younger children who could not handle the rigors of a Hurricane practice. Second, to build a feeder pipeline into supporting the Hurricane Swim Team. The waterspout program started with just 6 kids in one small session, and now it has grown to 50 children. Approximately 90% of the current Hiddenbrook Hurricanes swimmers were, in fact in the Waterspouts program at some point in time. It has been wildly successful in achieving its original goals and is now the foundation of building the team. Hiddenbrook would not be where it is today, sitting in Division 6 and going up, without this program.

In addition, Marcel has been the steady hand that has led to the development of the "Hiddenbrook way". A model of swim meet set up, team building activities, and a genuine love for the sport. Numerous teams have complemented the way Hiddenbrook runs swim meets and sets up the swim meet experience for the kids and parents. This was made possible by Marcel cultivating relationships with many parents on the team and developing a unique experience.

His guidance and support will be missed. However, he will not be far away. He plans on sliding into the advisory position on the Swim Team steering committee. I am sure that his wife, Julie, will be thrilled to hear this. As Marcel once quipped, "Some people collect stamps, others build model planes, I do swim team."

**Thanks, Marcel,** for all your contributions and for launching this past era of Hiddenbrook success!

# Don't Wait – Check The Date!

JULY 27, 2017 FAIRFAX COUNTY FIRE & RESCUE DEPARTMENT

Did you know that smoke alarms have a retirement date? They do and if your smoke alarms are ten years of age or older they need to be replaced.

Below is some great information from our partners in safety at the United States Fire Administration and the National Fire Protection Association. Please take a moment to check the manufacture date on your smoke alarms TODAY!

**Fire Prevention Week**  
Oct. 8-14, 2017

Age matters when it comes to your smoke alarms.  
Check the manufacture dates on your smoke alarms today!

<p><b>1</b> Remove the smoke alarm from the wall or ceiling.</p>			<p><b>2</b> Look at the back of the alarm for the date of manufacture.</p>
<p><b>3</b> Smoke alarms should be replaced 10 years from the date of manufacture.</p>			<p><b>4</b> Put the alarm back on the ceiling or wall if it is less than 10 years old.</p>
