Integrated Energy Therapy® Classes

Classes held at:

Harleysville, PA 19438

IET® training classes are each powerful days of self-healing and energy therapy certification training. In each class, you will be initiated to a powerful angelic energy ray that activates your 12-strand Spiritual DNA. You will then learn how to *heartlink* to the energy of your angels and use their energy for healing. You will learn how each primary human emotion is correlated to a specific physical region of the body, as well as how to use the IET integration power points to clear them. Fully illustrated training manual, guide sheet and certificate provided with each level class.

No prior energy therapy experience needed to take the Basic Level class. You can be an energy *intuitive*, and through these IET® classes, you will be taught how to *feel* and *interpret* energy flow, *clear* energy patterns in yourself and others, and unlock your soul's purpose.
