

## COLONEL COMMANDANT'S CHRISTMAS WISHES

2016

Dear Friends,

Having completed a full year as your Colonel Commandant I still feel the enormous honour of serving with you all. Although I have not yet visited the twenty one (eleven to date) units which form our Corps family, I have nonetheless gained a true appreciation of your commitment and professionalism as you face the new challenges of these uncertain times. In 2017, our Corps will be called upon to provide men and women to serve our nation in Canada and abroad and I am certain that you will as always be up to the task. You have my entire admiration, confidence and support.

On behalf of CWO Walter Laughlin, the Corps RSM and I, may this festive season be filled with love, joy and bring you the blessings of health, friendship and prosperity.

Worthy,

Georges  
Colonel (ret) G. Rousseau
