

# Therapy/Companion Puppy Package

Every **SoCal** puppy comes with:

- ❖ Vaccinated correctly (Nobivac) Treated for Distemper, Adenovirus type 1&2, Parainfluenza, Parvovirus & Bordetella (Kennel Cough).
- ❖ Extra preventative vaccine towards Parvo at 5 and 7 Weeks of age (Neopar)
- ❖ Kennel club papers (no breeding rights unless discussed before hand)
- ❖ **1-9 year or lifetime** health guarantee depending on what products you choose to keep the puppy on.
- ❖ Dewormed Correctly (Neemx2, Safeguard, Ivermectin) Treated for Heartworms, Tapeworms, Hookworms, Roundworms, & Whipworms
- ❖ Pamphlets on Distemper/ Parvo/ Kennel Cough//Common Parasites/ NuVet/ & New Joint & Hypoglycemia (If Purchasing Toys/Teacups Only)
- ❖ Micro-chipped **–(Owner must register chip within 30 days or health guarantee is null and void, we want our puppies found if they get lost)**
- ❖ **ALL Parents are DNA tested by Embark Vet** for over 168 or more different hereditary and congenital issues that could be passed down to puppies. This ensures all of our puppies are healthy and clear of any hereditary/congenital issues. Results are posted under each parent's pictures for your convenience.
