DCM Report

Greetings all! March is already upon us! Next Sunday 3/11 is District meeting. Just on a couple of personal notes - I will from now on continue the District meeting until all business is done. Last month there was too much left on the table. I promise you GSR's that if I'm running the District meeting, your report will be heard! If anyone can't or chooses not to stay due to a time commitment or personal reason that's fine, let me know and if you have a report to give we'll be sure to hear your report prior to your leaving. This month, for example, the workshop will take until 3pm. Last month, we were unable to finish in a two hour period, so I'm expecting to hopefully be wrapped up by 5pm. Don't forget to book your room for the Kerrville Assembly March 23-25! Information for the event is on the website. Also, I started a new job with Ryder Trucking last week and don't yet know of my work schedule. So if I cannot be present Jim will take the helm and you'll be in good hands! I'm hoping and fairly confident that I can be there though. District picnic venue is secure! Same place as last year- Landa Park Area 7a with our Area Alt Delegate sharing his AA story - Michael P. Casey has the flyer on our website and will have paper flyers to pass out to y'all next Sunday. Have a great week my sober friends and hope to see you on the 11th!

Step 3: "Made a decision to turn our will and our lives over to the care of God as we understood Him."

This step is linked to the Spiritual Principle of **FAITH** – Complete confidence; belief and trust.

Making a decision to do something does NOT get it done. Therefore we will need to take action and complete steps 4 through 9 in order to implement the FAITH based decision in step 3.

A period of time after working the steps to implement our FAITH based decision, our ego (or self-will) begins to reassert itself again; and because of our "human-ness", we fall short in maintaining perfect spiritual focus in all of our thoughts and activities.

That is why , even if we have worked the first nine Steps to the best of our ability once and are living in Steps Ten, Eleven and Twelve, we will still need to eventually go back to Step One and begin the Steps cycle again and again for deeper awakenings and further growth in other areas where we have unconsciously blocked our Higher Power.
