APRIL FOOLS

By *Deb Jackson*

I had been asked to put a “fake” article in the newsletter for April Fools indicating that the Newark Maennerchor would be closing by the end of the year due to lack of participation from the majority of members. A “fake” article was not something I was comfortable publishing, so I decided not to take that privilege as newsletter editor. I will share, however, my observation as editor, secretary, membership chair and web administrator: I was embarrassed for our club when members work hard to put on an event and the event is attended by more “outsiders” than members. The War of the Wings was a FREE event with FREE food and FREE entertainment. The event was attended by 16 Newark Maennerchor members and 20 outsiders. The War of the Wings was a benefit for Betty's Kids. We raised a lot of money and there was a large tub full of children's clothing donated. Even Betty was there! We had a great time! We have 207 members on our roster. The event was attended by 16 of those members. We need better participation so this club can survive— that's no joke—and I'm not fooling!
