

# Pet Care Code Of Ethics

Our Pet Care Code of Ethics is designed to make sure you, the Business Owner, Pet Care Specialist, Pet Sitter, Groomer, Trainer, Employer/Employee take your job very seriously and hold top responsibility 100% of the time.

You honor and agree that every Pet Client that you care for is always treated with the highest quality and ethical behavior and also to respect every client and their property to the same highest level of standards.

Name of Business / Pet Care Company:

**Paw Academy Pet Care**

**As a Professional in the Pet Care Industry, I fully agree & pledge to abide by the Ethics as follows:**

-  I will treat each and every pet with dedication, love, loyalty as if they were my own.
-  I will respect my co-workers, bosses, employees, self contractors and competitors, and show them admiration and professionalism at all times.
-  I will operate my business in the most professional manner and always strive for positive growth and expansion.
-  I will always continue my education about my career, pets, behavior, skills and techniques as a Professional in the Pet Care Industry, so I may provide superior service to each and every pet and person client.
-  I will be dependable and responsible at all times and will fulfill all of my commitments.
-  I will hold an honest, trustworthy and professional relationship with every Pet Care Client and keep all client information safe, secure and confidential *at all times*.
-  I will at all times, respect and protect my client's home, property and belongings.
-  I will support and encourage positive pet ownership, adoption and volunteerism within my community.
-  I promise to obey and follow all Network, local, state and federal laws and ordinances pertaining to my career, relating to the care of animals and the operation of a business.

Your success as a Pet Care Professional is directly affected by the way you portray yourself, your business and treatment to your people and pet clients. Following the Pet Care Professional Code of Ethics everyday will help you reach your goals of being successful both personally and professionally.
