Star Lumber to close in August ☹

Star Lumber will be closing its Hutchinson location early next month, laying off eight employees and transferring four others to Wichita.

Company officials, who said they'd continue to serve the Hutchinson professional building market from Wichita, blamed the closure on an ongoing lack of new home construction in the community. www.hutchnews.com/Todaystop/star-lumber-closing-hutch-store

Downtown Growth Projects Continued:

One said, "It's a great area and I'm really excited about the activities - Third Thursday, the benefit walks, Taste of Hutch and the chili festival. It's going to be great to be a part of it.

"I remember growing up here. Things were more stagnant (downtown) than now. But there's a new lifeblood, and the town is supporting it."

Jim Seitnater, (Downtown Development Director) said it's another step in a downtown revival.

"Third Thursday and the outdoor activities already have grown," Seitnater said. "But I think it will really blossom now. It's a testament to the energy and vision of the people who are making a difference downtown."

Festivities & Third Thursday Events continue to grow in popularity and numbers!
