It is a local organization with volunteers that provides temporary shelter, food, and veterinary care for homeless domestic cats until they are adopted.

WHAT IS SHOE BOX RECYCLING?

We collect used shoes in specific Drop Box locations, and we send them to developing countries all over the world to help people who are in need of shoes.

By recycling shoes, we are not only helping the cats at PAWS, we are also helping people who don't have shoes, and the environment.

WE ACCEPT ANY GENTLY USED SHOES EXCEPT FOR THE FOLLOWING:

Single Shoes. Metal Spikes. Flip Flops/Plastic Shoes. Slippers. Women's Fashion Boots. Ski/Winter Boots. Skates/Blades.

YOU CAN FIND YOUR "SOUL MATE"

If you are interested you may place your name and address inside your donated shoes and once they find their new home, the new owner may send you a letter to let you know where they ended up.
