

VFW Auxiliary Department of Wisconsin
Mentoring for Leadership Dec./Jan.
www.wivfwaux.org

Its hard to believe that we are mid way into our Auxiliary year. This has been an unusual year with many challenges due to the Covid-19 virus facing our members. Hopefully every Auxiliary has some Mentoring program in place. Mentors, you need to be resourceful during these trying times for I'm sure many of you are practicing distancing and have been staying home. Now would be the time to visit the National website and check out the resource materials available to you. Many of you are unable to have meetings, but you can continue to teach through social media, telephone, email or text. Keep all members informed by respectfully reaching out in some way.

District Presidents don't forget your project for Mid-Winter. I will be sending you two rocks and labels you can use or you can come up with your own ideas. I want one for my Mentoring Garden Plot and the other is for your Mentor. Have fun, can't wait to see what you come up with. 12 things to always remember-----

1. The past cannot be changed.
2. Opinions don't define your reality
3. Everyone's journey is different
4. Things always get better with time
5. Overthinking will lead to sadness
6. Judgements are a confession of character
7. Happiness is found within
8. Positive thoughts create positive things
9. Smiles are contagious
10. Kindness is free
11. You only fail if you quit
12. What goes around, comes around.

Keep up the good work you do for our Veterans and their families Until next time:

When stars shine whiter----Candles burn brighter-----and ----Cares seem lighter---
That's Christmas.

When friends are dearer----Life's meaning clearer---and---Peace comes nearer---
That's Christmas.

FROM MY HOUSE TO YOURS HAVE A MERRY CHRISTMAS AND HAPPY NEW YEAR!!
