Twenty Five years ago, the Quattom family expanded their small convenience store and gas station in Texas to include food. Their signature homemade fresh daily nine inch hamburger patty with special seasoning gave birth to the name 9ER's Grill. Recently opened in Montgomery at 350 US 30 (in front of Farm & Fleet, 630/229-0333) the popular restaurant features a large amount of indoor seating plus a huge outdoor patio. Food is ordered at a walk-up counter and brought to the table by friendly servers.

The menu now features much more than hamburgers!

Appetizers include Wild Sliders (4 mini burgers), 9ER's Beef or Chicken Quesadillas, New Orleans Boudin Balls, Potato Skins, Cajun Buffalo Wings, Buffalo Tender Basket, a Grande 9ER's Sampler, Chips & Salsa, Queso or Guacamole, Fried Texas Wedges, Mozzarella Sticks or Mushrooms, Texas Toothpicks or Jalapeno Poppers, two or three of which together may provide a delicious lunch. Choose from Chicken Tender, Grilled or Fried Shrimp, Cajun, Greek, House, Chef's, Grilled Chicken Regular or Caesar and "Texas Size" Salads. Spuds served with sour cream, cheese and chives are available in Loaded, Chopped BBQ, Chili Cheese, Grilled Beef or Chicken or Chicken Tender varieties. Add Sides of French or Curly Fries, Tater Tots, Beer-Battered Onion Rings, Campfire Chili, Potato Salad, Frito Pie (chips with Chili & Cheese), Corn or Hot Dogs.

Chicken Dishes are four Chicken & Eggs offerings, plus Texas Original with Cheddar, Bacon and BBQ Sauce, Classic, Grilled, Supreme, Wild West or Tex-Mex Chicken Breast, Chicken Hoagie or Cajun Style Chicken or Wrap.

Subs are available in many varieties (Texas Turkey Club, Old Fashioned Patty Melt, Wild West or Classic BLT, Combo or Vegetarian Supreme, Cajun Poboy, Philly Cheesesteak, Ribeye Steak, Chicken Fried Chicken or Steak, Regular or Wild West Turkey and Chopped BBQ).

The menu also lists Entrees (Chicken Tenders, 9ER's K-Bob, Wild West Chicken Platter, Fajitas, Chicken Fried Steak, Grilled, Classic, Cajun or Texas Original Chicken Platter and Chicken Fried Chicken) and Steaks (New York, Chopped Sirloin or West Texas

Ribeye) both served with two sides: side salad, vegetable, French fries or baked potato. Seafood dishes (Combo Platters, Catfish and Shrimp) are available either fried (with tartar & cocktail sauce, French Fries and cole slaw) or grilled (served with rice and veggies).

The burgers for which the restaurant is named come in sixteen varieties to suit every taste, the ingredients of which are fully described on the menu. Cakes and Pies from House of Pies make up the dessert menu.

Eleven Daily Lunch Specials, including fries and a drink are served Monday through Friday from 11 – 5 PM.

9ER's Grill is a kid-friendly restaurant; children 12 and under can enjoy Hot Dogs, Corn Dogs, Grilled Cheese, Hamburgers or Cheeseburgers, Chicken Tenders or a Grilled Chicken Breast, all served with fries, a cookie, and a drink.
