

Predestination : Randomness

2015

Ink and acrylic on linen

76 x 40 in. [193 x 101.6 cm]

With a pair of arm holding the Moirai's distaff and spindle, which spins in a deterministic dynamics, while the other arms are in the gesture of playing rock-paper-scissors, a children's game with probabilistic outcomes, the eight-armed Bodhisattva-like figure poses the question about fate.
