PEARL FINCHER MUSEUM OF FINE ARTS

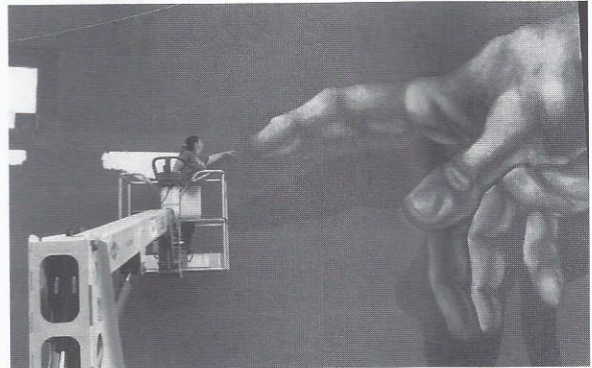

New Exhibitions, Afternoon Tea, & Steinway Concert Planned At Pearl Fincher Museum Of Fine Arts

The Pearl Fincher Museum of Fine Arts has a busy October planned, with fall exhibitions, an Afternoon Tea, and a dedication concert for their new Steinway grand piano.

Fall Exhibitions

From urban art to the majesty of the Grand Canyon, the Pearl Fincher Museum of Fine Arts will showcase the contrasting beauty of natural landscapes and street art in its Fall 2019 exhibitions.

Grand Canyon Photographs: Celebrating the Centennial 1919-2019 by American photographer Mark Burns will be featured in the Main Gallery of the museum, while **Anat Ronen: Urban Legend** brings large-scale urban art to the

Large-scale art by Anat Ronen, one of the most highly regarded street artists of our day, will be on exhibition at the Pearl Fincher Museum of Fine Arts this fall.

*Grand Canyon Photographs:
Mark Burns, Pink Dawn – Mohave Point, 2018,
archival pigment color print*

Rebecca Cole Gallery. Both exhibitions open September 10 and continue through January 11, 2020.

Grand Canyon Photographs celebrates the majesty of the Grand Canyon and commemorates the 100th anniversary of its establishment as a National Park. Through black and white photography, color photography, panoramic images and contemporary prints, the exhibition seeks to capture the grandeur of one of our nation's greatest treasures. The exhibition also features an audio recording, *The Sound of the Colorado River*, made by Burns at Lee's Ferry, mile-marker 1 of the Grand Canyon, to create a multi-sensory experience within the exhibition.

Anat Ronen: Urban Legend showcases two huge murals that Ronen has painted on the walls of the Rebecca Cole Gallery at the Pearl, as well as images of other large-scale work she has done. In a nod to the adjacent Grand Canyon exhibition, Ronen has also created a large, interactive painting of the Grand Canyon. Visitors will be encouraged to stand in that installation and take their photo, revealing an astounding 3D effect. "Selfie Saturdays" will highlight this

opportunity for weekend visitors at the Pearl.

Over the course of the exhibition, Anat Ronen will also provide lectures, talks, demonstrations and workshops at the Pearl. For announcements about these exciting events, visit www.pearlmfa.org.

Museum Hours

Located at 6815 Cypresswood Drive in Spring, the Pearl Fincher Museum of Fine Arts is open 10 a.m. to 5 p.m. Tuesday through Saturday. Admission is free. Donations are appreciated and help continue the Pearl's mission of art, education, and community.

Steinway Dedication Concert

The Pearl will host a special concert in the Main Gallery on Sunday, October 20 to dedicate their new Wanda and Fred Pauling Steinway concert-grand piano. Surrounded by Mark Burns' beautiful images of the Grand Canyon, guests will enjoy a concert of American songs and spirituals performed by pianist Roger Keele, soprano Nancy Curtis, and baritone Dorcel Duckens.

For additional details and ticket information, visit www.pearlmfa.org.

Afternoon Tea

The Pearl's 10th Annual Afternoon Tea, "On the South Rim," will take place at 3 p.m. Thursday, November 14. This year's Tea honors Susan Diehl for her extraordinary service to the Pearl, and takes place at Shirley Acres, 217 Woerner Road in Houston, 77090.

Guest speaker for the event is photographer Mark Burns, whose work, *Grand Canyon Photographs: Celebrating the Centennial 1919 – 2019* is on exhibition at the Pearl this fall.

Single tickets, tables and sponsorships are available for this fun annual event that benefits the Pearl. For more information or to reserve your place, visit www.pearlmfa.org or call (281) 376-6322.

OCTOBER 2019 YARD OF THE MONTH

11418 Colonial Trail - Section 1

October's Yard of the Month has a lovely entrance graced by shrubs that provide depth to the landscape.

There is also late summer color to draw the eye to the inviting front porch. The crepe myrtles, front bed near the street, and the U.S. flag complete the picture of a yard that definitely says, "Welcome!"

Minutes of the Cutten Green Home Owners Association

August 29, 2019

The meeting was called to order on Thursday, August 29, 2019, at 7:00 p.m., in the Community Clubhouse.

Directors in attendance were Lee Bredbenner, Ken Wright, and Buster Cowart

Minutes of the meeting held on July 25, 2019, were approved by the board.

NEW BUSINESS

- Congratulations to The Saylor's of 6623 Seegers Trail Drive, for winning the "Yard of the Month", for September 2019.
- Budget is to be reviewed for the coming year, the Board will be looking at a Face Lift for the inside of the Club House. Need repairs to the Kitchen area, A/C repair and painting will be part of the upgrades.
- Wall Up-Date: Two members of the NW Mud #6 were present, Bob Parliament and Dennis Jasek, discussed the wall stating new letters, for another meeting, were going to be mailed out by Crest Management, for a 17th of September meeting, to the residents along Bourgeois Road and Hollister Street to further explain and answer questions. The fence will be a Brick wall with Brick Post, and will be maintained by the MUD District. As stated, 100% agreement is need by residents, with fences bordering Bourgeois and Hollister, for the fence to be constructed. If you don't receive your letter you should contact Crest Management. After approval from the Residents the fence plans would go to Harris County for a Permit and after that the fence contract would be given out. After that the work could take six months or longer to complete when construction starts.

HOMEOWNER CONCERNS: The floor was opened for homeowner concerns.

The fence that is falling down on Bourgeois Road is a concern for the appearance of the subdivision and a Health concern with a pool being exposed to neighbors. It has gone to the lawyers and a request as gone to the Harris County Health Department to have the look at the problem.

The land that is being cleared along Bourgeois is said to be a new subdivision.

A motion to adjourn was made and seconded. The meeting was adjourned.
