

Annual Trunk or Treat event to be held at Plano United Methodist Church

We are approaching an exciting time this year with the 18th annual Trunk or Treat. Children through 6th grade are invited to participate along with their families.

This year the event is also sponsored by St. Mary's Catholic Church. It will be hosted at the Methodist church's west side parking lot on Sunday, October 25, from 1 to 3 PM.

Children will be able to go from car trunk to car trunk collecting goodies from each decorated trunk. Children, their family members, and those with car trunks may be in costume.

This year, there will be bottled water provided, pre-packaged goodies available for snacking, a photo booth, and just plain fun. Since this is an outdoor event, guidelines suggest masks as optional according to personal preference. Those distributing candy at trunks may also wear gloves as personally preferred. The treats are all pre-packaged and the fact that this will be held outdoors will allow for more relaxed "distancing."

Participants are encouraged to bring canned goods or paper products for the Kendall County Community Food Pantry so they may be delivered there after the event.

For more information, please contact Linda at 630-552-3828.

Pictured are a couple trunks from last year's event.
