General Meeting Agenda - 11/9/16:

Delmarva Gas Presentation at the 11/9/16 meeting they will come out and present for an hour and half. Delmarva will explain that homeowners can choose whether they will want to have gas to their home or not in 2017. This will also allow for homeowners to plan for large purchases in the upcoming year - heating, gas cooking and gas dryer.

Bylaw committee has completed it updates and they are available for board review.

Bylaws will also be available at the LCA General Meeting for review & suggestions can be sent to the Board. The LCA Bylaws still need to be voted in on and approved.

Membership dues is under way at this point and will continue throughout the year.

During the General Meeting LCA Board will bring up the Lighting Petition was voted NO but that there was an interest in having lights installed in the community park to help deter illegal activities. The neighbors affected will need to approve the lights for the park. Any questions or concerns can be brought to the board.

Car Break-in are occuring again in Lynnfield and surrounding areas - please lock car door, hide valueables and report to the police.
