Blessed Lambs Preschool

March, 2020

Morning Routine:

March often comes in like a lion and out like lamb! Be sure to dress your children appropriately for outdoor play. Warm jackets and coats, and hats are still appropriate. Don't forget closed-toed shoes for the playground.

Lifetouch Photographs

On March 5 & 6, 2020 Lifetouch Photography will be here to take photos of the 3's & 4's. Information will

come home about this closer to those dates. The spring photo session includes individual sittings and a class photograph. Sibling photograph sessions are optional and will be done at the end of the school day.

Dates to Remember

4's Lifetouch Photos
- **March 10 & 12, 2020**
ZOOMobile for 2's & 3's
- **March 11, 2020**
Literacy Night—6-7pm
- **March 20, 2020**
4's Science Center Field Trip

Severe Weather Drill Month

In addition to our regular monthly fire drill, this month we will conduct our second severe weather drill. No alarm sound just announcement over the intercom and teachers quickly and quietly escort the children to shelter in place. Our designated shelter area is beneath the preschool hallway in the Fellowship Hall 2 bathroom alcove.

Butter Braid Bread Fundraiser

Our spring fundraiser starts this month. This is a great treat for the upcoming Easter holiday. Included in the packet are flyers for not only delicious Butter Braid breads, frozen, and ready to be thawed and cooked, but cheesecakes and cookie dough. What could be easier than baking some cookies on a spring afternoon?

James E. Richmond Science Center

The James E. Richmond Science Center is located on the campus of St. Charles High School in Waldorf. The Science Center is a cutting edge experiential center that hosts school groups, family and community events. The Science Center's focal points include a 184 seat digital dome classroom/ planetarium, a 6-foot diameter NOAA Science on a Sphere and a Discovery Lab all which are used in combination to allow students and visitors to experience various levels of science, math, history, and fine arts, in new and exciting ways. The Center specializes in STEM problem based learning and can customize learning experiences for all ages.

4's Science Center Field Trip

The 4's classes will be meeting at the James E. Richmond Science Center located in St. Charles High School on March 20, 2020. More information and permission slips will be forthcoming. Be ready to enjoy a movie in the Dome, Science on the Sphere and fun activities. Bring a lunch to eat with your friends.

2's & 3's ZOOMobile

The 2's & 3's classes will be enjoy a visit from the Maryland Zoo, ZOOMobile on March 10 & March 12, 2020. This is an "in-house" field trip for the children only. There is a limit of students per session. Don't worry there will be plenty of photographs taken by the teachers that will be shared.

Literacy Night

Please join us for our annual Family Literacy Night on Wednesday, March 11, 2020 from 6 -7pm. The teachers always come up with some great activities, games and stories.

This year's theme will be Dr. Seuss!

A flyer with more details will be coming home soon!
