*The only other fees associated with paddling are regatta (race) fees should you choose to participate. Races cost \$6 each to enter and most keikis race 1 to a maximum of 3 races per regatta. There are 5 sprint regattas per season (June-July). You can attend as many or as little that work for you and they are typically held at lakes/waterways in the Bay Area (Alameda, Pleasanton, etc.) and one in Sacramento and/or Monterey. We try and carpool as much as possible. There are no uniforms to buy though you may choose to purchase a racing jersey to wear at regattas. They are typically \$20-30 and you can wear the same one every season.*

*Keiki practices (19 yrs and under) are held Mondays and Wednesdays from 4:30pm-6pm and Saturdays from 10am-12:00pm typically from March to July. If you cannot make a practice, you just need to let your coaches know. Lokahi understands that kids have other commitments and that they may not be able to make every practice or every regatta. The practices are held at the Petaluma Marina located adjacent to the Sheraton Hotel on Lakeville Highway. At the end of many Saturday practices, we like to serve treats to the kids and you can stay to enjoy freshly made waffles, grilled cheese or ice cream sundaes!*

*This is a family friendly club and sport and we encourage all ages to participate. No experience necessary. If you'd like to check it out, please complete waivers online ([www.lokahi.us/waivers](http://www.lokahi.us/waivers)) and show up to any practice. We will show you all you need to know.*

***Hope to see you on the river!***
