Please call us if we can help you in anyway.

Every hoof counts! We appreciate your business.

Date:	24-Oct-23
Receipts:	1989

Trend: 1989 total head sold. 475 packer cows and bulls sold steady when compared to last week. All weight classes of calves sold \$7-\$10 lower when compared to last week. The future's market taking a set back from the cattle on feed report last week pushed the market back some. The market as a whole is still very good! We appreciate your business. If we can help you market your livestock, please give us a call. Thank you!
