ASCE HAWAII SECTION AUGUST DINNER MEETING NOTICE

Program: Transportation Sustainability: Hawaii

The Hawaii Department of Transportation is focused on sustainable transportation more than ever before to ensure efficient mobility of people and goods while enhancing environmental and economic prosperity. The state's objective is to be free of oil and achieve 100 percent clean energy usage by 2045. Improvements at our airports, harbors and highways are moving us closer to this goal. We continue to work on more innovative ways to provide new energy saving projects in our buildings, vehicles and operations.
