

Good Afternoon-

I am writing today to ask for your continued support of Bridges. You have supported us in the past and we hope that we can count on your support again this year. I am once again honored to be working on the Bridges Golf Scramble. This year will mark the 10th year of the event and it will be held at Vanderbilt Legends Club on Tuesday, May 14th. The event will benefit everyone at the Bridges Domestic Violence Center. We are currently in search of golfers as well as sponsors who want to partner with this great organization.

Bridges Domestic Violence Center is the only domestic violence shelter in Williamson County. This not-for-profit organization is dedicated to assisting victims of physical, mental and sexual abuse. The role of the center is to provide a safe place for victims to make difficult decisions and to regain control of their lives. Bridges provides a 24-hour crisis hotline staffed by people who can help immediately, an outreach support group, and shelter at an undisclosed location. Their programs do not discriminate on the basis of sex, race, religion, class, sexual orientation, national origin, disability, age or marital status.

Please let me know if we can count on your support this year. If you are interested in helping with the event in a different capacity this year please let me know. I would be happy to answer any questions you may have. Thank you in advance for your consideration.

Thank you,

Cole Hodges
