## We are ONE Family in Prayer

We know the power of prayer. We know the power of praying together in assemblage. No matter your religious beliefs. No matter your method of prayer --- let's not accentuate our differences in how we pray and just pray!

Recognize the importance of your contribution to the healing of our world by joining us each Friday at 5pm (EST) for 5 min of prayer. We are all family. We connect with the God of our understanding to bring peace, compassion, healing, grace and love to the Earth and our Family of Man.

Please get in contact with the churches and organizations of any denomination in your communities and ask them to join in your Family of Prayer. Thank you and let us always remember that we are living in the Light of the Divine.
