SECONDHAND SUNDAY IS HAPPENING OUTSIDE YOUR HOME, AND YOU'RE INVITED.

The last Sunday of April & September is your chance to share any unwanted, reusable items. Simply leave them at your curb for your neighbours to take for free. Then, get in on the action. That thing your neighbour no longer wants could be exactly what you need.

Participating is easy!

1. Leave your reusable items at the curb on the last Sunday of April & September.
2. Fold this notice in half and display it as a sign beside your items.
3. Join in the fun by hunting for treasure in your neighbourhood. Share your finds online by tagging **#SecondHandSundayTO** or emailing **secondhandsundayTO@gmail.com**
4. At the end of the day, please take back any remaining items or drop them off at an appropriate second-hand shop or charity.
5. Mark the next event in your calendar and save this sign for then.
6. Help spread the word. Consider contacting us so that we can help you bring Secondhand Sunday to your community.

Not interested? Please share this sign with a friend or neighbour.
