

## Points Structure

1. Weekly A Feature win is 40 points, with each subsequent position worth one point less.
2. Should a driver qualify for B feature or A feature, and not be able to compete, they will be scored in last position or receive points accordingly. (Promoters discretion whether vacated position is filled in feature by next qualified driver.)
3. If less than ten entries for any given night, for each car less than ten, one point fewer than normal is awarded for the feature finish. For example, if nine cars entered, feature win would then be worth 39 points. for eight entries, win would be worth 38 points, ect.
