	Dr. Bernard Jensen		Dr. Kitty Champion
	H. Wolf MA	France;	Dr. Pierre Fragnay
	Dr. Gladstar	Greece;	Dr. Mikhail Dailakis

Italy; with Dr. Daniele Lo Rito, this privilege has allowed me to open up my understanding in a multidimensional iridology by which gave birth to a our new research. From 1975, I have

been an advocate student of both Hebrew and Christian Greek scriptures. This love coupled with Iridology, has brought about the research in the field of **Spiritual Qualities and Iridology**. We had the privilege of presenting these findings on the

- fruitage of the spirit such as, love, joy, kindness, etc....
- the four attributes, love, justice, wisdom, and power amongst other subjects, (in Venice April 2001)
