## **DEDICATION PAGE**

This Minneapolis High School Wrestling Records and Statistics Book is dedicated to the memory of Coach Jeff Giles, Head Coach of the MHS Lions Wrestling program from 1987/88 to 2013/14. Jeff's 27 season coaching ability brought the program to its well respected status that it enjoys today. Jeff's 27 season tenure as the Wrestling Coach resulted in an overall record of 275W – 109L – 1T for a Win % of 71.4. His League Record as Head Coach was 100W – 31L for a Win % of 76.3. His teams won 9 League Titles and contended for 13 additional titles, which resulted in 2<sup>nd</sup> place finishes. His MHS Lions won 10 non-KSHSAA Tournament Championships for MHS. His wrestlers won 10 State Championships. Jeff was twice named the Class 3-2-1A Kansas Head Coach of the Year (2002 & 2014).

He was inducted into the Minneapolis Sports Hall of Fame in May 2016.

FOREWARD BY DALE LEECH

Enclosed please find the 2018 Edition of a History of Wrestling Statistics (Team & Individual) for Minneapolis High School. College/University and Professional Teams Sports Information Directors would call this type of publication a "Press Guide". I started this effort in the early 2000's as a cumulative effort to provide information for "talking points" during video / audio broadcasts of Minneapolis High School Basketball games for which I have participated in for 18 seasons. In other words, this was initially an effort to satisfy such questions such as "how did what we just see compare to what has occurred in the past"?

There is no claim that this document is an exhaustive compilation of statistics, but it probably is the most extensive available for the wrestling program at Minneapolis High School. Data included has been gleaned from the *MINNEAPOLIS MESSENGER*, the *SALINA JOURNAL*, other area newspapers, School Annuals and publications, and statistics provided by the coaches. It in no way is touted to be an infallible document, but a statement of what I believe is the best information available based on what has been published and seen by this researcher. Many times I have thought of publishing this information for the enjoyment of others, but experience has taught me that the printing and reproduction costs for such an effort on a small scale, are almost prohibitive. Thus a publication through a website became an attractive idea.

The author's intent on releasing this information to the public via the website – "Minneapolis Kansas Sports Hall of Fame" is to share it for the enjoyment of MHS sports fans and current and former team athletes. Memories sometimes fade, but published statistics don't. However these statistics are sometimes lost in archives or become overlooked. This publication is an intent to help keep fresh those memories and help those statistics remain known and relevant for those who care.

My intent is to update this document annually to include new team/individual performance data and the additions from further research. If anyone has information of interest that could possibly be added to this total document, please contact me by FaceBook or at my personal e-mail – [dleech@eaglecom.net](mailto:dleech@eaglecom.net)

My apologies to those who read this document who are trained historians. I don't reference historical sources in this document other than what you see above. I determined that this effort alone would be too extensive. I do have the sources referenced in my files should someone care to question the validity of any information presented here-in.

A last thought. The statistics shown here-in show the "the best of times" and the "worst of times" and many points in between. Some teams have been blessed with more skilled athletes than others, larger squad numbers than others, perhaps better coaches than others, and sometimes just better luck than others, especially in the injury department. Nonetheless, the efforts of all student athletes who currently participate or those who have in the past participated are deeply appreciated. We thank you for your dedication and effort at Minneapolis High School.

## **WRESTLING at MINNEAPOLIS HIGH SCHOOL – A BRIEF HISTORY**

By Dale Leech

The ancient Olympic sport of Wrestling began as a competitive sport at Minneapolis High School in the 1969/70 Season. It was the 7<sup>th</sup> Athletic program at MHS after Football, Basketball, Track, Cross Country, Tennis and Golf. The KSHSAA had been hosting State Tournaments since 1930. The Football coach, Ron Knock was hired to coach the team and together with 11 initial team members, they set out to discover the rigors of competition in this individual and team sport. The sport has continued at Minneapolis High School continuously since that time though it came close to being discontinued in the mid-1980's due to an overall decrease in participation. Jeff Crockett was hired to coach the team in 1985/86 and over 4 seasons was able to oversee increased participation slightly. In 1987/88, Jeff Giles became the Head Coach and from then on the program rose in the number of participants and overall success. Jeff Giles coached the team into 27 seasons, becoming the longest tenured Head Coach in MHS history. Coach Giles passed away unexpectedly in 2014 and was succeeded by one of his former wrestlers and an active assistant coach – Chas Hauck.

In this 2018-19 season, the MHS program enters its 50<sup>th</sup> season of competition. Below please find some firsts for the program from its infancy forward in those 49 years, both individual and team marks:

- 1) 1<sup>st</sup> Pin by an MHS Wrestler – Orville Clinton on 12/16/1969 vs Ellsworth in the 2<sup>nd</sup> Period
- 2) 1<sup>st</sup> Decision win by an MHS Wrestler – Robert Bailey on 12/16/1969 vs Ellsworth (10-4)
- 3) 1<sup>st</sup> Team Dual Win over another varsity team – 12/9/1971 vs St. John's Military
- 4) 1<sup>st</sup> MHS Wrestler to Medal in a Tournament – Charles Johnson (Hwt) at Beloit with a 2<sup>nd</sup> Place.
- 5) 1<sup>st</sup> MHS Wrestler to Place at a State Tournament – Jim Hamilton (167 lb) – 4<sup>th</sup> Place - 1971
- 6) 1<sup>st</sup> MHS Wrestler to Medal at a State Tournament – Charles Johnson (Hwt) – 2<sup>nd</sup> – 1973
- 7) 1<sup>st</sup> Team Winning Season in Duals vs Opponents – 1974/75 – (4W – 3L) record.
- 8) 1<sup>st</sup> Team Tournament Championship – 1974/75 at Herington – 87 points
- 9) 1<sup>st</sup> Team League Championship – NCAA in 1977/78 (4W – 0L) Coach Alan Sersland
- 10) 1<sup>st</sup> MHS Wrestler to win a State Championship – Donny Smith (171 lb) in 1989
- 11) 1<sup>st</sup> MHS Wrestler to have an undefeated season – Jesse Prater (189 lb) in 1992/93
- 12) 1<sup>st</sup> MHS Wrestler to win multiple State Championships – Nick Johnson (130 lb) in 2001 & 2002
- 13) 1<sup>st</sup> Multiple State Champions in 1 Season – 2001/02 Nick Johnson, Shawn Drennan, Jeff Mortimer

Wrestling practices started out in the High School Cafeteria before moving to the Old Vo-Ag shop (located to the west of the current City Library & north of the tennis/basketball courts). After the construction of the USD Office north of the High School, practices were moved to the west room of that facility and continued there into the 2016/17 season, when in February of 2017 the program moved into its own Wrestling Room which is on the South end of the new competition gymnasium.

The program has continued through 49 consecutive seasons. Eight head coaches have guided the program with alumnus Chas Hauck successfully guiding the program since late in the 2014/15 season.

MHS Wrestling teams have won 12 League Championships. Eight wrestlers have secured 10 State championships.

In 48 of the 49 seasons, the grapplers of MHS have a Duels Record of 382W – 198L – 2T for a 65.6% win percentage. In League competition they have a Duels Record of 128W – 61L for a 67.7% win percentage. We currently don't have Duels data on the 1984/85 Season.

The MHS Lions have won the championships of 24 Invitational Tournaments. They have hosted their own Invitational Tournament on the 2<sup>nd</sup> Saturday of December since 12/8/1990. Of their 28 previous MHS Invitational Tournaments, they have won 8 Championships. This Tournament has been named the Jeff Giles Invitational Tournament since 2015 in honor of former Head Coach Jeff Giles.

MHS Volleyball has participated in 3 leagues, the North Central Activities Association (NCAA), the Central Kansas League (CKL) and the 2<sup>nd</sup> NCAA.

KSHSAA competition levels for MHS Wrestling has been in the Classes "1A-2A", "2A", "3A", 4A, & 1-2-3A.

Since the 2004/05 season, the program has been augmented with the inclusion of wrestlers through Co-Op programs with both the Bennington and Ell-Saline School Districts. Bennington wrestlers have participated from 2004/05 – 07/08, Ell-Saline wrestlers competed from 2008/09 – 10/11, and again from Bennington from 2012/13 – 2017/18. Several wrestlers from these programs have made significant contributions to the overall success of the MHS Wrestling program in its annual non-KSHSAA competitions. Several have also placed well in KSHSAA Regional and State Tournaments. In these KSHSAA Tournaments, co-op wrestlers compete in their own school colors and are coached by MHS coaches. The schools have separate points rankings in the standings of these tournaments.
