

Junior Golf Association of Northern California.

The Junior Golf Association of Northern California began in 1970 receiving tax exempt status and incorporation in 1971. From a handful of juniors at that time to their present 2,000 plus members they bring junior golf to boys and girls in Northern California who have not reached their 18th birthday.

Northern California is considered from Kern County and San Luis Obispo County north to the Oregon border.

PWGA contributions to the JGANC provide funds for transportation and caddy fees to Junior Girl Golfers who qualify to play in the USGA Girls Junior Championship.

A contribution of \$500 annually is made to the JGANC. Club contribution checks should be made to PWGA and sent to the PWGA Treasurer.

Supporting programs in our community.

Since 1947

Pacific Women's Golf Association

UVS- Golf Swing Club

Introduced to United Voluntary Services by Helen Lengfeld in 1947 as a golf program for the rehabilitation of VA patients.

The UVS Swing Club provides excellent therapy and give the hospitalized veteran new incentive to overcome their problems. Over the years many veterans have benefited from this program. PWGA donates \$1500 annually to the UVS – Swing Club

In addition to the Playday donations many of our PWGA clubs donate funds to this organization from their own fundraising events.

Junior Grants Program

PWGA is pleased to announce the formation of the PWGA Junior Girls Program. We are happy to provide means for supporting Junior Girls through our organization. We hope your club will be a strong supporter of this program and that you will encourage girls in your area to participate in this great sport.

Grants are made available on a first come first served basis and will be approved by the PWGA Junior Grants Committee

The program is funded through an annual \$1000 contribution from PWGA as well as a Raffle at our Spring Partners and Mixed Couples tournaments each year and individual club donations.

Grants of up to \$500 will be made available to Junior Girl Programs within the PWGA boundaries. Applications for Grants may be found on our website
