**Discussion with ACO (Via Pig Issue):**

- ✚ Do to unforeseen circumstances the ACO was unable to join us for the meeting, so she will be joining at a later date. Date to be determined.

**Other Business:**

- ✚ Becky started the meeting off with giving the Board a copy of the current financial statements to date.
- ✚ Becky shared with the Board about a phone call she had received from a solar power company. The Board told Becky to invite them to a meeting to discuss more on this subject, so they could get some more information on it before saying yes or no to the idea.
- ✚ Christy notified the Board of an email she had received from 2 of the Library trustees. They had notified the Clerk that they will resigning by the next Town meeting and advised we put the 2 positions on the officer list to be filled and voted on. We have also been notified that the current Librarian will be retiring at the end of December. One of the Trustees notified the Clerk that she will be putting an advertisement in the paper very soon.

- ✚ Calvin updated the Board members on the meeting he and Wayne attended for the Missisquoi ambulance service.
- ✚ The Board and Becky discussed more on the electric sign idea. The Board asked Becky and Christy if they could call the places we have seen the signs and get some more detailed information on what they had to do, and the pricing involved. More will be discussed in future meetings.
- ✚ Becky discussed with the Board about putting all the ARPA money in one account instead of 2 to have it all in one place. The Board granted her permission to do so.
