Lots of fun at the 2023 HOA Easter Egg Hunt. Many thanks to Event team— Teri Abrahamson, Erin Bowden, & Cari McKenzie.

There's always some "bug" making the rounds. Best wishes to neighbors dealing with illness, recovering from injuries or surgeries, or just "under the weather."

HOW MANY OF THESE ACTIONS ARE PART OF YOUR LIFE SINCE THE FIRST EARTH DAY IN 1970?

- Recycle clean drink & food containers (*glass, plastic, aluminum, steel*); cardboard, newspaper; printed flyers but NO contaminating items
- Favor reusable shopping bags
- Consider 100% recycled paper or bamboo towels & toilet paper to save forests
- Consider solar panels, electric vehicles & electric yard tools
- Drive mindfully to minimize fuel consumption
- Reduce need for water, fertilizer & pesticides by reducing lawn & increasing more drought tolerant, native landscaping
- Plant new or replacement trees to maintain shade, soil stabilization, noise abatement & habitat
- Try products with less packaging, such as Earth Breeze detergent sheets [editor's note: they work great in my HE washer]
- Select low-water toilets, clothes washers and dish washers when remodeling
- Dispose of hazardous household items & chemicals properly—here is the link you need for information & directions

Send in YOUR ideas!

May—Grandfather oak on Maplewood revived with TLC

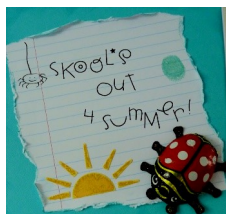

June—Mostly tropical look on Tanglewood

We hope you enjoyed the flag display in the neighborhood over Memorial weekend. July 4th is right around the corner and the flags will be flying in Bay Hills again. **Erin Bowden**, Board flag team coordinator, is **seeking volunteers** for the "14—" section of Bay Hills Dr and for Maplewood Dr. If you can help with this favorite HOA tradition, please contact her by email: erinbowden214@gmail.com

Please be mindful of more children playing and more general activity in the neighborhood. Drive slowly around parked vehicles—you never know what will pop out! Thanks!

Your HOA Board needs your input on several things. Watch for a survey coming soon!
