

## PCWC Offering 2017

In response to the devastation from Hurricane Harvey, LCMS School Ministry and LCMS Disaster Response developed a plan for assisting schools affected by natural disasters. Schools and other ministries have the opportunity to choose one or more affected schools they wish to support. They can pray for their adopted school, and provide resources in response to specific needs.

For this PCWC, our offerings will go to Pilgrim Lutheran School - Houston, Texas which is one of the schools listed on the School to School website at <https://schooltoschool.lcms.org/>. Please consider cash donations or scrip gift cards to Lowes & Home Depot to include in the worship offering.

Thank you for your generosity as we reach out to help others in need!
