With respect to our school calendar and school program:

1. The State of WA requires 450 hours of instructional time a year for Kindergarten students. Holy Family School will be providing 1,156 hours.
2. The State of WA requires 1,000 hours of instructional time a year for 1st-12th grade students. Holy Family School will be providing 1,138 hours.

Note: RCW 28A.195.010 and RCW 28A.150.220 = State of WA Statutes

A. Instructional time both for the State of WA and the Archdiocese of Seattle does include Parent-Teacher Conference time. The State of WA (RCW 28A.150.220) defines Instructional Time in the following manner.

“Instructional hours are defined as the total number of hours when students are provided the opportunity to engage in educational activities...inclusive of intermissions for class changes, recess and teacher/parent conferences which are planned by and scheduled by the district for purposes of discussing students’ educational needs or progress, and exclusive of time actually spent for meals.”

Holy Family School’s 1,153 hours of instructional time does not include eating lunch time.

With 703 hours beyond the State of WA’s requirement for Kindergartners and 153 hours beyond the requirement for 1st-8th grade students, Holy Family School youngsters will be well served and well prepared to compete and go forward in a successful manner.

So, the next time you’re chatting up a friend, neighbor, fellow parish family, or simply a new party of interest here’s a little more ‘sell’ material for why Holy Family School is awesome!

Thank You! ☺
