Want to add a new class?

If you are on the fence about adding a new class, December is the last month you can add one. Remember, an additional class is a reduced rate when you are already taking a class. Stop by the front desk to get more details and add that class to your schedule. You know you want to!

Costume final payment

The final payment for costumes is due the week of December 4th. This will be \$40 per dance your child will be performing in our annual recital. Preschool, Kindergarten, and Combo 1-3 will each perform 2 dances so 2 costumes will be purchased.

Your dancers' costumes will not be ordered until these are paid in full.

Measurement Week

Costume measurement week is December 4-9th. If your student is not going to be here, please let their teacher know so we can get their measurements during another class time. It is important for us to have all the measurements in order to get the costumes ordered in the best sizes possible the first time.
